**FROM THE PRINCIPAL**

**Staffing for Term 3**

There will be some staffing changes in Term 3 and the school would like to wish Mr Ian Williams a restful break as he takes some well-earned long service leave.

Mr Bruce Jeffrey will take on the role of coordinating the ICT area and will take Mr Williams’ classes. Mr Jeffrey’s classes, and 7F Class Teacher, will be taken by Mr David Osterloh, who joins us from Taroona High School, and comes with a wealth of teaching experience around the state.

Priscilla Young and Robyn Whitney (Teachers of the Deaf) go on maternity leave and we thank them for their work with our deaf and hearing impaired students and their classes; we wish them the best of happiness with their new arrivals (which are due one day apart!!). Their replacements will be named at a later date.

Ms Cassie Boxall will return to the Home Economics area on Mondays and Wednesdays and will take classes that are currently taken on those days by Mrs Earnshaw.

Miss Sheridan Smith will join us from Clarence High School and will be helping in the Health/PE area, and to release staff to work on curriculum planning, for the first few weeks of term, and she will then take over from Mrs Pieta Langham McKay in November, when she too goes on maternity leave.

**Grade 8 and 9 Subject Information Evening**

Thanks to all of the parents/carers who braved the elements to attend the subject information session on Wednesday evening. There were between eighty and a hundred people there to find out about courses for 2006 and beyond.

Thanks also to Ms Kristina Brown and Mrs Sue Newstead for organising the evening, to the staff who attended and to Mr Robin Fox, Principal of Rosny College, for providing some valuable information and counsel about pathways to College and the courses offered there.

**Important dates for your diary in Term 3**

| Sept 19th   | School Moderation (no students)                                      |
| Sept 20th  | School Association Meeting                                          |
| Sept 26-30th | Grade 10 Work Experience                                           |
| Sept 28-30th | Grade 9 Peer Support Training                                        |
| Oct 5th    | Grandparents afternoon                                              |
| Oct 13th   | Rosny College Parent                                                 |
| Information Night | Q Map Assessment day (no students)                                  |
| Oct 21st   | Grade 8 Camp                                                         |
| Oct 31st-Nov 4th | Applications for Rosny VET courses close                         |
| Nov 4th    | Grade 10 Dinner                                                     |
| Nov 23rd   | Grade 10 Picnic                                                     |
| Nov 24th   | Grade 10 final assembly                                              |
| Nov 25th   | Primary School Orientation Day                                      |
| Nov 30th   | Achievement Afternoon                                                |
| Dec 15th   | Further dates will be added next term                               |

Further dates will be added next term.
School Moderation Day and Q-Map Day

On Monday 19th September (the Monday following the Term 2 holidays) and Friday 21st October (the day following the Show Day holiday) students will not attend school.

On these days teaching staff throughout the state will be involved in school level and cluster level moderation processes designed to ensure the accurate assessment of the Essential Learnings that will be reported on in December. As a consequence, the school will be closed for regular classes.

Any parent unable to arrange appropriate supervision for their children on these days should contact the school. Teacher supervision by relief staff can be made available should it be required. Notification of the need for this service must be provided prior to these days. It should be noted that school buses will not operate on these days.

Have a restful and enjoyable holiday.

Greg Sawyer
Co-Principal

--------------------------------------------

Sporting Achievements

Congratulations to the following students for their recent sporting achievements.

On Sunday 21st August
Stevee Standen and Nicola MacDonald competed in the 2005 State Gymnastics Championships. Stevee and Nicola both got selected in the top 6 to compete against Victoria and got silver in that competition. Stevee got Bronze on Floor, Silver on Vault, 5th on Bars and 5th overall. Nicola got 6th overall and 6th on Bars.

Brendan Barber represented our school in the Southern Schools / Colleges Squash Pennant this year. Brendan was in a combined team with Rosny College who were successful in winning the Grandfinal last Saturday against MacKillop College.

Nathaniel Griggs and Niki Griggs have recently been selected in the State Squad for Surf Lifesaving.

School Waterpolo

The waterpolo season has come to an end I would like to take this opportunity to thank all players for their commitment and enthusiasm to the roster. It was a lot of fun! The 7/8 Girls improved significantly over the season and were winning a significant proportion of their matches in the latter half of the roster. The team finished in seventh position overall, and will undoubtedly be in contention for a finals berth in 2006. The 9/10 girls teams also finished in an admirable 7th position in what was a very tough and highly competitive roster.

This year Rose Bay was unable to enter a boy’s team due to insufficient numbers. Instead Callum Cusick, James Bills, Joel Elsey and Martin Grey offered to play in combined schools teams with MacKillop College and Clarence, both teams finishing in 5th place on the ladder, narrowly missing out on a spot in the finals.

Students are to be commended for their conduct and presentation throughout the roster and I strongly encourage them to continue playing next year.

On behalf of the school I would like to thank all of the parents who supported their children in their commitment to this roster and a special thank you to those who assisted with scoring.

Kim Kay

--------------------------------------------

JAPAN HERE WE COME

The count down is over, we fly out today at 4.55 pm! Included in the itinerary is a visit to Tokyo Disneyland, Hakone National Park, Hiroshima, the AICHI Technology Expo and much more. There will be many stories to tell and photos to see when we return. A very big thank you to the overwhelming number of people supporting this trip through donations for fundraising, personal time and effort.

Mrs Gardiner & Mrs Cash.
RSPCA COMPETITION
Thankyou to everyone who brought in donations for the RSPCA, we had a fantastic response with the school raising over 2000 points. We would also like to thank Jenny Marwood who came to talk to the students during last assembly with her two companions Rosie and Gizmo.

The winners of the pizza’s and a DVD are 7E who will be enjoying their prize next term. Runners up were 7F followed closely by 10A and a generous contribution of beds and blankets put 8B in fourth place.

We are laying down the gauntlet for next year’s Grade 10 students to continue this worthy project for many years to come.

Many thanks
Kathryn Whittle and Elle Amendola 10D

Why Learn A Language?
By Kylie Hankin 7C

IS LOTE REALLY HELPFUL??
Why do we need to learn a LOTE?
Will it help us in the future?
Will a LOTE help us to meet more people from different backgrounds?
Will learning a LOTE help us to be a friendlier person?

Learning a LOTE will help us have more job opportunities, become a better learner and to meet more people.
LOTE can help us in the future in many ways, like in relationships, jobs and friendships.

Yes, learning a LOTE will help you meet more people because you can speak their language and they will feel more comfortable and they will want to talk to you and most likely be your friend.

In a way learning a LOTE could help you be friendlier because it doesn’t matter what background you are from.

Just because a person might have different eyes from you and they might speak differently they can still be a great person. And just because you learnt a LOTE you could speak to them and understand just what a great person they are and they will think you are very friendly.

So any LOTE is actually quite helpful in more ways than one. LOTE helps me now to be a better communicator and in the future it could open the doors to many good opportunities. So I just proved any sort of LOTE is REALLY helpful!!

I’m learning Japanese and have been for 4 years.

---

Pathway Planning
We are very excited to inform you of a new initiative that will complement and enhance the excellent pathway planning programs and resources we already have in our school. As part of the state government’s recently released strategy for post-grade education and training, Tasmania, A State of Learning, this year all Grade 8 students in government schools will be supported to develop a
learning pathway plan. By the end of 2007, all young people from Grades 8-10 will be involved in this process.

If you have a son or daughter in Grade 8 this year, they will be the first in our school to begin their own learning pathway plan. This does not mean that your child will be asked in Grade 8 to choose a career or job. Pathway planning is about helping them to begin to develop, over an extended period of time, those skills and understandings that will enable them to make informed and realistic choices about their future pathways. Just as young people take time to develop physical skills such as catching a ball or jumping hurdles, they take time to develop other skills and understanding.

For young people in Grade 8 this means exploring and reflecting on what they learn at school, at home and in the community, how they learn, their likes, dislikes, strengths, achievements, aspirations - finding out more about themselves as a learner and as a person. As your son or daughter finds out more about themselves and the world of work, they may develop a sense of the type of career or job that may interest them e.g. helping others, working outside, working with equipment.

Pathway Planning Officers are being employed to support schools and young people develop their learning pathway plan. We welcome Nicola Smith as our Grade 8 Pathway Planning Officer and she will be at Rose Bay High School on Wednesdays and Thursdays each week.

We look forward to regularly updating you on this new initiative and to working in partnership with you and your child in providing the best education for them to succeed in the twenty-first century world.

Warrane Primary School 'taster sessions'
In the last two weeks of term Grade 5 and 6 students from Warrane Primary School made two visits to Rose Bay to experience life at high school.

On both occasions the students went to Art and Technology classes and had a great time. The programs organised enabled them to see first hand the sorts of activities they would be doing when they go to high school in the next two years.

Thanks to Ms Miller, Mr Hardwick, Mr Dean and Mr Doig for helping them to have a really informative and enjoyable experience, and to Megan Woolley, Alex Hardaker, Damian Horne, Ngaio Mazengarb, Jake Grace, Maddy Seyfried, Pailin Munyard, Rob Gourlay, Kacie West and Hugh Young for helping our visitors. These Grade 8 and 9 students will also be visiting WPS on one morning each week for six weeks in Term 3 to be Mentors at the Primary School.

Next term Warrane will visit us again and Lindisfarne PS will also experience some 'taster' sessions.

“Dragonflower” - Ryan Garth
Classical CD from much loved ex Rose Bay student. $10 each – enquire at office.

Available for weddings, functions, restaurants etc.

Study Hall
Are you sick and tired of your parents going on and on about homework?? Do you want a quiet place to study? OR Do you just want a bit of peace and quiet? Then the study hall is for you.

Beginning at the first Thursday day back in Term 3 room B9 will be opened at lunch and after the first
5 minutes after the lunch bell goes the door will be closed to all late comers and from then until the end of lunch the room will be silent so people can study.

The study hall will be opened on Monday, Tuesday and Thursdays every week and open to all grades. So please come along and check it out.

Brendan Barber 9E.

**CLUB CRICKET 2005**

The Clarence District Cricket Club Inc. is holding a registration day for teams from under 9 through to under 17 on Sunday 24 September between 9.30 and 11 am at their Clubrooms at Bellerive Oval. Anyone in these age groups interested in playing with CDCC is encouraged to attend on the day with a parent / guardian. Information about times of play, equipment requirements, uniform etc will be provided on the day. If you have any questions, please call:

David Galloway 62442173
Michael Thomas 62373571 / 62451611

**Clarence Aquatic Centre YMCA**

Aquatic Education

Come and try our School Holiday Program. We are running 2 x 5 day programs over the September Holidays. This intensive program can help the student develop their skills and keep your children active during the school holidays.

How about coming to our New Inflatable Toy and BBQ Open Day on the 10th September from 12-4pm, where you can enjoy activities such as aqua aerobics, free aquatic education assessments, a sausage sizzle and the inflatable toy to play on.

Enrolments are now open for Term 3 2005 for children from 3yrs through to Junior Squad.

We have:
- Fully redeveloped indoor heated pools
- Small Classes
- Adult Classes from beginners through to stroke correction levels
- New Special Needs Classes Available!

Ph: (03) 62442294

---

**Indoor Sports**

The Eastern Shore Indoor Sports Centre will be commencing their after-school indoor sports program for Term 3 on Monday 26th September.

Soccer, Cricket and Netball are offered for all ages and experience levels. Junior Registration Forms are available from the HPE Office in the gym or from the Centre in Percy Street, Bellevue.

Indoor Cricket rosters are held on Monday afternoon, Indoor Netball on Thursday and Indoor Soccer on Friday afternoon between 4.00 and 6.00 pm.

**Head Lice**

We seem to have more cases with head lice this year than any other year. A reminder to parents to please check your child’s hair for head lice. They are commonly found in the fringe, behind the ears and in the nape of the neck.

If head lice are found the treatment recommended by the Department of Community and Health Services is a pyrethroid or pyrethrin based product. A suitable product is ‘Nix’. Students may return to school following one application of the recommended lotion. However, care must be taken to ensure all nits (eggs) are removed to avoid reinfection.

Preventative measures include;
- brushing hair morning and night as this damages the lice and they cannot breed
- tying long hair back
- do not share brushes, combs or hats. If they have been shared wash them in hot soapy water.
- check for head lice once a week.
Winter Sports Teams

Congratulations and thanks to all students who have participated in school sports teams over the winter. Many of our teams reached and played in finals. This year Rose Bay High has had teams participating in Water Polo, Squash, Netball, and Hockey.

We would like to acknowledge our coaches and team members for generously donating their time and expertise. Without their support and effort, school sport would not be possible.

Thanks also to all the parents and friends who supported our teams by attending matches and cheering loudly from the sidelines during the season.

We are now starting to organise teams for the summer sports season including basketball, cricket, and touch football. Preliminary meetings have been held in recent weeks and we look forward to being able to enter a number of teams in various events for Term 3.

SCHOOL HOLIDAY BOWLS

The Cremorne Bowls Club will be running bowls for children aged 8 and over during the school holiday break. Teams will consist of 3 Junior players and 1 adult. No equipment necessary and you can play in bare feet or soft socks!

Dates: Wednesday 7th and 14th September commencing play at 10:30am.
Cost: $2.00 per person
Lunch: BYO

Please contact Rosemary for further details on 6239 9732

Winners of the Rose Bay High School Fathers Day Raffle

1st Dean Collins
2nd R Boxhall
3rd Maddie Blake
4th K Windfeld-Petersen
5th S Howard
6th L Webb
On Tuesday 22nd August, East Bay High School competed in the Southern Inter-High School Cross Country Championships at the Tasmanian Police Academy.

The event was organised by Athletics Tasmania and conditions were once again perfect for cross country running with bright sunny skies and a friendly cooling breeze.

On the girls aggregate, East Bay hung up their loose performance by again finishing in 3rd position with the boys finishing in 5th position. These two performances earned us 4th place in the Combined Schools Aggregate.

A noticeable feature of this year’s event was the overall presentation of our team, it was a first class display by all students involved and a proud moment for the school to be represented in such a fashion. Congratulations to all our athletes.

To the many parents, teachers and friends who supported and encouraged our team.

Outstanding Individual Performances

**Grade 7 Girls**
- Danielle Thalman 15th
- Casey Ragano 18th
- Lauren Clifford 24th
- Claire Milson 24th
- Emma Barnett 32nd
- Charlotte Adams 37th (99 competitors)

**Grade 7 Boys**
- Daniel Catt 18th
- Luke Wilson 21st
- Callum Cunning 24th

**Grade 8 Girls**
- Hannah Woolley 14th
- Kara Wilson 15th
- Rachel Blackwood 20th
- Rihin Munday 25th
- Seline Haddon 30th
- (99 competitors)

**Grade 8 Boys**
- Matthew Long 9th
- Bailey Ivan 14th
- Alex Chatter 15th
- Callum Norris 22nd
- (99 competitors)

**Grade 9 Girls**
- Callum Cunning 21st
- Anna Boyling 22nd
- (99 competitors)

**Grade 9 Boys**
- Isaac Smith 14th
- Sarah Blackwood 29th
- Alysha Piggott 29th
- (99 competitors)

**Grade 10 Boys**
- Alastair Smith 1st
- (1st competitors)

-Special Mention-

Our team captains, Kate Kelton and Aidan Pickenford who were outstanding in providing assistance and support to all team members. They were well organized, showed initiative and displayed excellent leadership skills.

Anna Blackwood (Grade 9) who filled a vacancy in our Grade 9 Girls team and finished in 22nd position out of 99 competitors.
REMINDER

Recently an Expression of Interest form for Grandparents Afternoon was received by your children. This form needs to be returned to the school as soon as possible.

If possible could you contact the school on 6243 8511 to express your interest or return the form to school on the first day of Term 3.

A form is attached below in case you need another one.

Regards

Jessica Campbell.
