**FROM THE PRINCIPAL**

**Student Leadership Forums**

Members of the SRC attended two Student Leadership Forums this week.

Nine Grade 10 SRC members joined students from eleven other schools at an SRC Leadership Forum at Southern Branch, organised by Kingston High School. They listened to a guest speaker and then participated in workshops. These enabled them to share how their SRC operated and to hear what happened in other schools.

Emily Giffard (10), Kris Penney (9), Ayrton Partridge (8) and Jonno Ainslie (7) attended a Leadership Forum at Huonville. This forum was attended by a number of Primary, High and District High Schools from as far away as Ouse. All of the Primary Schools in our Cluster (the Meehan Range Cluster) also sent four students.

They had an excellent and informative time and were addressed by a number of speakers about the qualities of leadership. The students also undertook some short workshops that focussed on the communication skills and organisational skills required by students in positions of responsibility and leadership.

Our thanks to Kingston High and Huonville Primary Schools for organising these worthwhile Leadership Forums; our next newsletter should include a more detailed report on these experiences.

**Back to School Day**

Yesterday was ‘Back to School Day’ at Rose Bay and we were lucky to have two former students return to Rose Bay to address an Assembly, Dr Nenagh Kemp and Michael Smith.

Ngaio left Rose Bay High School in 1989 and studied at Rosny College and the University of Tasmania. She was awarded a Scholarship to do a PhD at Oxford University, in England, and then worked in Manchester, England, and Vancouver, Canada, before returning to lecture at the Psychology Department at UTAS in 2005.

Michael left Rose Bay more recently, in 2003, and attended Elizabeth College where he became Vice President of the SRC. His involvement in community groups began in Grade 10 as coordinator of the Community Service portfolio and YNAG representative and has continued in many community roles such as National President of the Festival of Dreams. Michael has also achieved success in his VET course in Aged Care, winning an award at Elizabeth College and the Prime Minister’s Award for work skills in Aged Care. He was a finalist in the Young Tasmanian of the Year in 2005.
Both Nenagh and Michael gave informative and inspirational talks to the school and are fine examples of what students can achieve when they take advantage of the opportunities offered to them at school and in life.

We thank them both for visiting the school and sharing their experiences with us. Interviews with them both will appear in the next edition of ‘Inlook’.

Parent Teacher Discussions
Many thanks to all of the Parents/Carers who came to discuss their child's/children's progress with staff yesterday.

If you were unable to make an appointment and would like to talk to a teacher about your child’s work, progress or behaviour, please contact the school to arrange a time or to discuss issues over the phone.

Some parents/carers will be contacted by staff to arrange an alternative appointment.

Name the Bully, Harasser, Classroom Disrupter Survey
This is a survey that has been carried out in Term 1 and Term 3 for the last three years and was completed again before Easter.

This Survey gives students the opportunity to name students who are bullying, harassing or disrupting classes. The surveys are anonymous and all students write something (favourite movie, favourite sports team, favourite songs, etc.) for five minutes.

This survey has been collated and Class Teachers will be following up the results with students who gained multiple mentions. It is hoped that these students will not be mentioned again when the survey is repeated in Term 3.

Congratulations to:
Mr Kaleb Smith who recently won the West Coast Classic wave sailing title. This title doubled as the Tasmanian Title and included some top mainland riders. Well done Mr Smith!!
