**FROM THE PRINCIPAL**

**NATIONAL MODEL SOLAR CAR AND BOAT FINAL**

Last weekend, Mr Armstrong, James Bills, Matthew Todd, Luke Coulson, Andrew Butler, Tim Nissink, Jacob Walker, Dane Plaister and Ben Knight travelled to Adelaide to represent Rose Bay in the National Model Solar Car and Boat Event. This event was the culmination of hours of work by this dedicated team. On a very gusty and overcast day, the team took out 4th place in the solar car competition, 4th in the solar boat, ‘best poster’ and unfortunately ‘best crash’. I would like to thank Mr Armstrong and all members of the team and also all those parents and guardians who have contributed so much of their time, energy and financial support to this most worthwhile Applied Science project. A special thanks also goes to the School Association who provided significant financial support to get the team to Adelaide. Well done and thanks everyone!

**MODERATION DAY**

Last Friday, all staff participated in meetings to discuss assessment standards in preparation for finalising end of year assessments and the preparation of December school reports.

All staff also discussed new syllabuses that have been provided to schools for the introduction of the new Tasmanian Curriculum in 2008. Staff will now spend what time they have available between now and the end of the year, to prepare course outlines to implement these syllabuses. A key part of this process is to match our existing courses with the new syllabuses. This will enable us to highlight both commonalities and areas that we must change or modify before we begin implementation next year.

Rose Bay over the last three years has developed some outstanding teaching and learning programs and I am confident that our new school program for 2008 and beyond will further enhance the excellent reputation of the school for academic learning.
**GRADE10**

This year’s Grade 10 group will be the last to complete their studies at the end of November and as a consequence work is now well underway in preparation for both exams which will be held in the week commencing November 18 and the festivities of their final week.

I know many Grade 10 students are looking forward to this significant milestone in their educational lives, however, it is imperative that they remain focussed and ensure that their results reflect their absolute best efforts in their various curriculum programs. I hope very much that the social events of this period do not become a too much of a distraction and am a little concerned by a small minority of Grade 10s whose attendance has deteriorated of late and whose minds seem to be only focussed on their completion date. I would greatly appreciate it if parents could impress upon their children how important it is to ensure they have done their very best in the closing weeks of their 7-10 years.

**ATHLETICS**

Over the last few days our very dedicated HPE staff have been working tirelessly during the lunch break to enable all those students who missed out on their track and field events, as a result of the bad weather on the second day of the athletics carnival, to stake their claim for a spot in the Rose Bay team for the Inter-high Athletics Carnival to be held on Tuesday, November 13.

We look forward to great effort from our team as we take our rightful place back in Division 1 for the first time in two years.

**Titration Competition**

On Wednesday evening this week Tim Nissink, Rachael Blackwood and Julia Blackwood represented Rose Bay in the National Final of the Chemical Analysis Titration Competition. Rose Bay along with New Town High, Ogilvie High, Hutchins and Collegiate competed at the University for gold and silver medals. Tim Nissink just missed out on a gold medal and Julia and Rachel also received silver medals. I would once again like to thank Mr Armstrong and all those students who gave up their time to participate in this prestigious competition on behalf of our school. Well done!

Stephen Mannering
Principal

**SCHOOL SPORT UPDATE**

**Basketball Championships –** The Girls Basketball Championships were held over Show Weekend with Rose Bay High School entering one Grade 7/8 team. The Girls finished 1st in their pool but unfortunately lost to Mt Carmel in the semi-final by 10 points, leaving them to finish the tournament in a 3rd place tie with Ogilvie. Games were close all weekend and Nicole Rainbird was named in the All Star team for the tournament. The school would like to say a special thank you to Coach Karalyn Rainbird, scorer Sharon Young, and team manager Denise Taylor. Well done!

**ATHLETICS CARNIVAL**

On Thursday 18th and Friday 19th of October Rose Bay High School staged its annual Inter-House Athletics Carnival at the Domain Athletics Centre. The carnival started off well with huge participation. Unfortunately, bad weather on day two caused the postponement of several events. Events that were missed have been held during lunch-time here at school over this week, and will continue until Tuesday the 6th of November. The program of events for Friday, Monday and Tuesday are listed below. Once all these events have been completed, the Inter-High Athletics team will be announced and those students will compete in the Division ‘A’ Inter-High Athletics Carnival on Tuesday the 13th of November at the Domain Athletics Centre.
RE-SCHEDULED EVENTS:

Lunch-time Fri 2/11
Grade 10 Girls Javelin
Grade 8 Boys Long Jump
Grade 9 Girls Triple Jump

Lunch-time Mon 5/11
Grade 7 Boys High Jump
Girls all Grades 800m

Lunch-time Tues 6/11
Rose Bay Gift (winners from the 100m finals both boys and girls)

QUIZ NIGHT

Write this date in your diary: Friday 7 December 7:30pm at Rose Bay High School. His fun filled evening for family and friends will be a great night out. Watch this space for further details.

NATIONAL SCHOOL COUNSELLING WEEK

As part of National School Counselling Week, 5 November to 11 November 2007, you might like to know more about the way School Psychologists (Guidance Officers) work in school communities around the state.

What ways do School Psychologists support school communities?
School Psychologists provide a range of services aimed at maximising children’s learning and participation in school. They do this by addressing the social and emotional wellbeing of all students in the school community. Services include:

- Consultation about learning strategies, and all aspects of behaviour (eg: student self-control, social skills, peer interactions and friendship)
- Strategies for the prevention and management of developmental and mental health disorders, including anxiety and depression, as well as parenting skills
- Developing and implementing programs for individual, small groups, classes and schools
- Professional development and information sessions
- Referral to other professionals, services and community supports
- Case management

Who are School Psychologists?
School Psychologists
- Are registered psychologists and qualified teachers
- Have an in depth knowledge of education and psychology
- Understand developmental and learning difficulties as well as mental health and family relationship issues
- Have a broad range of experience in dealing with child and adolescent issues
- Understand school and class environments
- Are accessible to students from diverse backgrounds.

Who can refer students?
- Parents, students, teachers and other professionals can request assistance from the School Psychologist through the school Principal or Assistant Principals, teaching staff, or they can approach the School Psychologist directly.

Produced by the Australian Guidance and Counselling Association, Tasmania, as part of the National School Counselling Week.
AFL FOOTBALL

In 2008, the Lindisfarne Junior Football Club intends to field an Under 14 side. We invite all children who will be 13 on January 1, 2008 to participate. Coach Trevor Morton, will commence pre season training on Tuesday, November 20 from 4:30 – 5:30. Training will be at Geilston Bay High School. It is essential that we have an idea of numbers BEFORE the end of 2007. For enquiries phone Trevor on 6243 6967.

Circus Skills
Jumping Jacks Trampoline Club

Want to learn some cool new tricks to impress your friends??
