ANZAC DAY

Rose Bay High School was once again well represented at the Lindisfarne ANZAC service.

Co Presidents of the Student Representative Council, Phillip Newbold and Jane Dakowah laid a wreath on behalf of the school. Caitlin Druery, Lewis van Bommel and Ashleigh Boxhall also attended along with large number of Rose Bay students who participated as members of the local army cadets and in guides and scout groups. Our school parent group was also strongly represented at the service.

I’m sure our students, as is for the great majority of young Australians today, have a great appreciation of the sacrifice made those who served to defend this country and our values in past conflicts, along with those who today are currently on active duty overseas.

STUDENT PROJECT

Yesterday Mr Doig and a group of Grade 10 and 8 boys began construction of new outdoor tables and bench seats for our students to use at lunch and recess on the newly refurbished upper terrace.

I’m sure these will be a great asset to our current students and will be lasting contribution from the boys who constructed them. Many thanks to:

Callum Morris, Rhys Koppelmann, Barry Allen, Rick Mladenich, Greg Mills and Timmy Duggan

PARENT TEACHER INTERVIEWS

By now, all parents and guardians should have received a copy of their child's Progress Report. Included with the report was a booking sheet for the Parent/Teacher interviews to be held next Wednesday, May 9 commencing at 3.30 and concluding at 7.00pm.

As many staff are already booked out for the evening, staff can also be contacted at school though the school office to arrange phone interviews or a meeting after school, at a mutually convenient time.

SCHOOL POLAR FLEECE JACKETS

I would also like to take this opportunity to remind students and parents that navy blue polar fleece jackets were introduced to the Rose Bay school uniform two years ago to provide another layer of clothing for the winter period. Non-school jackets must not be worn to school. The only exception to this is on a wet and rainy day, when a rain coat or waterproof jacket is required. I hope parents will continue to support this measure as it greatly enhances the presentation of our students and also provides a very economical way to provide warmer clothing for our students. The cost of the polar
fleece jacket is a very reasonable $25.00 for sizes 10-14 and $30.00 for sixes S-XXL.

The uniform shop is currently open Wednesday and Friday mornings from 8.30 -9.30am.

OPEN NIGHT

Our annual Open Night will be held on Thursday, May 24 commencing with a short presentation in the Gym at 7.00pm

Last year we had over 800 parents, grandparents, past students and prospective parents and students attend. We hope this year will be equally as successful and look forward to seeing you.

Stephen Mannering
Principal

NEW SCHOOL BUS SIGNAGE

New signage has just been introduced for school buses to improve safety for children.

The front of school buses will now feature either the 40km/h sign, or the words “school” or “school bus” while the rear of the buses will bear the 40km/h sign with the additional words “when lights flash.”

It’s vital that we eliminate any confusion for motorists, so they understand that they are required by law to slow to 40km/h when they are within 50 metres of a bus with flashing lights. This applies to cars travelling in both directions - not just those following the bus.

Motorists are also reminded of the parking restrictions around 40km/h school zones. To allow good vision for all concerned, parking is not permitted 20 metres before, or 10 metres after these zones.

Take care when dropping off or picking up your children from school. Where possible you should collect and drop off children on the same side of the road as the school bus. If you must park opposite a bus stop, get out of the car and cross with your child holding your hand.

CONGRATULATIONS TO:

Tom Palfrey on his selection in the Tasmanian Schools Orienteering team. Tom will compete in the Australian Championships to be held in Dubbo in July. Well done, Tom, and good luck.

SOCCER BOOTS NEEDED

One of our African students has just started playing soccer for a local team and is in need of boots. Any donations of old soccer boots can be sent to the school office.

2007 SWIMMING CARNIVAL REPORT

The 2007 annual Swimming Carnival was held at the Clarence Aquatic Centre YMCA on Tuesday the 24th April.

We had total number of 91 competitors participating in this year’s carnival. Although this was a minority of
the school, the carnival ran very smoothly and it was a fun and enjoyable morning for competitors, staff and spectators. It was great to see students getting in and having a go.

We thank all students for their efforts both in and around the pool. Congratulations also to our fabulous House Captains who performed very capably as time keepers, and competitors!

We would also like to thank all parents who were able to join us on the day. Our school values your support.

Congratulations to Rachael Pattinson, Bianca Farnell, Rebecca Bray, Abby Morton and Jonathon Ingoldsby who on Tuesday April 18 helped clean up the creek adjacent to our College. The group pulled 11 very decayed shopping trolleys from the mud and slush, as the picture shows (L- R Rachael Pattinson, Bianca Farnell and Rebecca Bray).

We commend them for their community spirit and their commitment to helping clean up our local environment. Bravo!

Cadets from Delta Company Tasmanian Cadet

The battalion assembled alongside Returned Servicemen, current Defence Force Personnel and families of Passed Personnel in ANZAC Day ceremonies across the south of the state. As well as taking part in the ANZAC Day Parade conducted in Hobart the unit Provide Guards for Claremont RSL, Woodbridge RSL, Kingston High School, Sorell High School, Sacred Heart College, Huonville High School and Richmond council.

ANZAC Day will always be a day for returned servicemen, Cadets only seek to commemorate their sacrifices by attending and taking part the ceremonies. Many Cadets wore the medals of family members who have passed on or are unable to march as a means to honor them.

Cadets from Delta Company spent the weekend prior to ANZAC day preparing for their various duties. At the completion of training each Cadets was issued a piece of card with the name of a fallen Australian serviceman on it. The cards were carried by the cadet on ANZAC day, cadets dedicated their efforts to that person, ensuring they were not forgotten and remembering a life that was cut short in the service of Australia.

ANZAC Day is a major highlight for Army Cadets, it provides them with opportunity to honor the ANZAC spirit meet and talk to old diggers and they take great pride in that.

Delta Company is one of four cadet companies in Tasmania. With approximately 90 cadets represent nearly every school in the Hobart, Glenorchy and the Huon areas.
