Artist of the Month
Artist for the Month for September goes to Grade 8 student, Melanie Blair. This was a difficult decision as there were several contenders. Melanie possesses excellent creative ideas and technical skills. The criteria that put her across the line are her attitude and sense of commitment to her work. Well done Melanie!

2011 TASMANIAN MODEL SOLAR CAR CHALLENGE
Mr Knowles has been working with the following group of students, Ian Clack, Rowan Birchall and Michael Hewson from Grade 7, Toby Roat from Grade 8 and Tyler Bakes and Minda Collins from Grade 9. They have been designing and constructing model solar cars. A set of strict regulations had to be followed: car size, solar panel type, power limits, type of wheels and motor used are just a few. After many weeks of building and preparation they will race their cars against others schools from all over the state in the Tasmanian Model Solar Car Challenge to be held at New Town High School on Sunday 16th October. Heats will be held in the morning and the finals at approximately 1pm. Spectators are very welcome.

SCHOOL LEVY FOR 2012
Rose Bay High School recognises that all parents have high expectations for their children and believe such access to education opportunities is critical for their children's' prospects. The school considers both the financial constraints on families and the impact of the cost of school items and activities on the family income. Therefore the school endeavours to maintain levies at both a reasonable level and a level which will continue to provide a quality education and associated activities for its students.

The composite levy for 2012 will be $500.00 plus Locker Levy $15.00 plus a donation to the School Association of $15.00 which makes a total of $530.00.

Payment of levies
Fees are charges at the commencement of the school year, and payable according to the school's levy payment options. Payment of levies is to be made prior to the commencement of term one, however, the school offers flexible and negotiated payment options to assist parents to budget for this cost. In addition, eligible parents/carers can also apply for financial assistance through the Department’s Student Assistance Scheme (STAS). Students approved for STAS are not required to pay levies. Information on STAS application will be available from the Education Department later in the year.

Let them eat cake - Cupcake Day for the RSPCA

On **Monday, October 31st** Rose Bay High School will support the RSPCA by holding a Cupcake Day. Unfortunately, this year we had to postpone our culinary occasion due to pressures on time associated with report writing, band tours and the organisation of components of the school’s 50th anniversary celebrations. Despite our false start, Home Class 8C with grade nine volunteers, Sarah Marley Brown and Brittany Bryan have enthusiastically taken on the exciting responsibility of organising the fundraising enterprise. Cupcake Day was a huge success at Rose Bay High School in 2010 and it is hoped that the event will prove to be even more sensational this time around.

Last year the national annual event raised $1.1 million which assisted with the care and protection of animals in Australia. In 2011, the RSPCA is aiming to reach a target of $3 million.

To assist with our Cupcake Day, Rose Bay High School’s **Junior Cupcake Masterchefs** are asking all members of the Rose Bay High School community to assist in any of the following ways:

😊 **Bake and decorate cupcakes.**

All cupcakes received will be judged and the most amazing ones will go into the competition for the best decorated cupcake. The winner will receive a prize and achieve the status of Rose Bay High School’s Masterchef Cupcake Baker - 2011.

*Other competitions are presently in the planning stage.*

Cupcakes need to be received at the school office by 10:00 a.m. on **Monday, October 31st** or delivered by students to room B24 during Home Class.

Out of consideration for our students with nut allergies, **please do not provide cupcakes containing nuts.**

(If possible, a list of the ingredients used in your cupcakes would be appreciated.)

😊 **Donate baking goods** which will be distributed to our volunteer cupcake bakers.

Products such as self-raising flour, plain flour, sugar, caster sugar, icing sugar, cocoa, butter etc. would be gratefully received.

Items need to be received by **Wednesday, October 26th** and may either be left at the office or delivered by students to room B24 during Home Class.

😊 **Donate goods that can be used as prizes** for the competitions planned.

We are particularly hoping that businesses and individuals will provide items such as vouchers, cooking books, CDs etc. that can be offered as incentives.

Please contact Ms Suzanne Pattinson at Rose Bay High School if you are able to assist in this manner.
Purchase our delectable cupcakes on Monday, October 31st.

Thank you for your anticipated generous support of the RSPCA Cupcake Day.
The Junior Cupcake Masterchefs team hope the event will be a sweet success.
(Suzanne Pattinson, Staff co-ordinator for the RSPCA Cupcake Day - Rose Bay High School)

If you are able to help the Junior Cupcake Masterchefs team raise funds for the RSPCA, please complete this tear off slip and forward it to Ms Suzanne Pattinson, room B24 or the Rose Bay High School office.
