**Validation Forms**

We still have a number of outstanding validation forms to be returned. **PLEASE** return immediately so that the correct information is recorded for your child.

**From the Principal**

Over the past few weeks we have received some fantastic news regarding the achievements of some our students both past and present. Jacob Bailey a student in Grade 10 last year participated in the National Road Safety Bumper Sticker Competition. Jacob submitted an excellent entry and has won first place in the competition. This is an outstanding result and he wins an Ipad for his winning entry.

On Wednesday of this week I had the great privilege of attending a celebratory event at New Town High School to recognise the achievements of two of our Grade 10 students, Olivia McDonald and Samuel Apted. Olivia and Samuel were placed in top 1% of students in the 2013 Statewide Literacy and Numeracy Monitoring Program. This is an outstanding result and it was a great pleasure to be part of a ceremony to recognise their achievements.

A highlight for the school at this time of the year is to celebrate in the successes of our past students by way of the Rosny College Achievers Ceremony. As has been the case in the recent past graduates of Rose Bay High were well represented in all categories of the awards including the High ATAR score category and the Special Awards. It is very satisfying seeing so many of our past students going on to achieve further success.
As has been reported in the media our School is participating in the Clarence National Youth Week Travelling Roadshow. The Roadshow aims to inform and empower school students about bullying. The Roadshow has been organised by the Clarence City Council and is structured around two strong themes; Bullying – it’s not on! and Our Voice Our Impact. The road show will include local bands, a free BBQ from the Lions Club, health and well-being information stalls with interactive activities from Angels Goal, Clarence Road Safety Partnership, Youth Assist, Mission Australia Youth Beat Van, a chill out zone from headspace, Sumo wrestling and more. I would like to commend the SRC who have been working with the council to organise the event.

On Wednesday of this week our best swimmers participated in the Inter-High Swimming Carnival. Ours students performed very well as a team and set some impressive times in the pool. A real highlight was the strong team spirit displayed by our students and the high level of encouragement our students provided to each other. Our students also assisted greatly in the carnival by acting as time keeps and officials. I would like to congratulate all of our team and helpers for giving their best on the day. I would also like to acknowledge the fantastic effort of Mr McKay who played a leading role in organising the carnival and Mr Clydesdale and Ms Blackborrow who managed our team on the day. And for the record Rose Bay High School won the Inter-High Swimming Carnival. WELL DONE.

National Assessment Program – Literacy and Numeracy (NAPLAN) 2014
In 2008, the National Assessment Program – Literacy and Numeracy (NAPLAN) commenced in Australian schools. The program is scheduled to continue in 2014 with all students in Years 3, 5, 7 and 9 to be assessed using common national tests in Reading, Persuasive Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

Years 3, 5, 7 and 9 students in Tasmania have been participating in literacy and numeracy tests for a number of years, so there is familiarity with the test formats and the types of questions.

The scheduled dates for the tests in 2014 are Tuesday 13 May, Wednesday 14 May and Thursday 15 May.

These national tests will provide information on how students are progressing against national minimum standards of literacy and numeracy skills expected for each year level, as well as performance across the whole range of student abilities. The results will support improvements in teaching and learning for students.

Parents will receive an individual report that shows their child’s results and a comparison of their child’s performance against all other Australian students in their year level. The report will also indicate how their child performed in comparison to the national average and the levels of achievement expected at that year level.

For students in Years 5, 7 and 9, the results from the 2014 tests will provide parents and schools with important information on progress made since they last participated in NAPLAN testing in 2012.

The best way you can assist your child is by making them feel comfortable about the nature and purpose of the tests, and assure them that the tests will give them an opportunity to show what they have learned in class.

For more information about the national tests, including test samples, frequently asked questions, the test schedule and a parent information brochure, please visit the national NAPLAN website at: http://www.nap.edu.au

In closing I would like to wish everyone a safe and enjoyable end of term break and look forward to seeing all of our students return in Term 2.

**ART NEWS**

**Artist of the Month for March 2014**

There has been a drought in regard to male recipients of the artist of the month award. It is great to recognize the end of this drought. We have a senior male student who is fiery and passionate about his work. He is naturally expressive with paint and has become a fluent stencil artist becoming quite adept with the subtleties of spray painting. Congratulations to Blake Johns from 10B on his fine effort!

Snap Photographic Competition 2014

The SNAP Photographic Competition is the State’s only photographic event for students wanting to showcase their talents and creativity in the area of photography.

This competition encourages students to develop their interests and skills in this area and is open to all Tasmanian students currently in Grades 9 – 12.

The competition is a ‘photographic scavenger hunt’ in which students are given a list of 20 photographic subjects, offering the potential for creativity and artistic interpretation.

For further information: see Ms Whittington in C14 for hard copy of SNAP 2014 rules and scavenger hunt list.

Light up the Lane
Mathers Place Hobart
6pm – 9pm Sunday 13 April, 2014
Light up the Lane is the City of Hobart’s 2014 National Youth Week project. Light up the Lane will transform Mathers Place in the city by projecting art designed by young people onto buildings, fences, windows, doors, footpaths and anywhere else we can.

Projections will vary in size from small intimate pieces to those that cover the side of a building.

Rose Bay High School has 5 senior students who have submitted work for this projection. They are; Jessie Anning, Blake Johns, Ekala Warn, Cengiz Gunyel and Ayla Fitzgerald.

For something a little bit different on a Sunday evening go and support our students and enjoy the awesome experience.

Science and Engineering Challenge
Thirty students ventured to the university to compete against other Hobart schools in the Science and Engineering Challenge. After a day of good ideas and trial and error with a few adjustments, our teams came in a close third. There were a few difficult moments but the hovercraft hovered, the Eco House withstood the hurricane and the bridge was crossed successfully. It was a fantastic opportunity for our students to pit their skills against others, work cooperatively and think creatively.

Extra care urged at Easter
With the Easter break nearly upon us, many Tasmanian and their families are preparing to take a holiday and travel to another part of the state. The Clarence Community Road Safety Partnership would like to remind all road users that your safety is your responsibility. During the Easter period there are many more people on our roads, often travelling to unfamiliar locations, therefore extra care is essential.

The message this Easter is simple and urges all drivers to commit to five basic actions in order to save lives:-

- pay attention
- stay within the speed limit
- take a break
- always wear your seatbelt, and
- don’t drink and drive

The Road Safety Advisory Council is also running five driver reviver sites across the state to allow
drivers to take a break, have a drink and stretch their legs. The sites will be operated by SES volunteers from 10am to 5pm, Monday 21 April, at the following locations:

- Sidling Lookout (Tasman Hwy, between Launceston & Scottsdale)
- Fossey River (Murchison Hwy, near Mt Pearce)
- Parramatta Creek (Bass Hwy, between Latrobe and Deloraine)
- Franklin River (Lyell Hwy, near Mt Arrowsmith)
- St Peter’s Pass (Midland Hwy, near Oatlands)

The Simpson Prize is a national competition for Year 9 and 10 students. The competition encourages participants to focus on the significance of Anzac Day and to consider what Anzac Day means to them and to Australia.

The 2015 Simpson Prize Question requires students to respond to the question using both the 2015 Simpson Prize Australian War Memorial Source Selection (http://www.awm.gov.au/education/simpson-prize-question-2015/) and their own research. It is expected that students will make effective use of a minimum of 3 of the sources from the Australian War Memorial. It is also expected that up to half of their response will make use of information drawn from their own knowledge and research.

The student winners and runners-up enjoy a two-day trip to Canberra where they visit several of the capital’s museums and institutions, attend the presentation ceremony at Parliament House and enjoy a formal dinner at the Royal Military College, Duntroon.

Eight prize-winners will then travel to Turkey for the opportunity of a lifetime! They will embark on a twelve-day exploration of Istanbul and Gallipoli, and take part in the commemorative ANZAC Day ceremonies at various sites on the Peninsula during the 100th anniversary of the landing at Gallipoli.

For further information about the competition, see Ms Pattinson and go to the website, www.simpsonprize.org

Commemorating the Centenary of World War 1
Will you answer our call?

Wanted - The stories about the veterans in your family
As part of their planned commemoration of the Centenary of World War 1, students in Grade 9 line 1 and 2 History classes are interested in finding out about and honouring the veterans of the past one hundred years who are related to the current students of Rose Bay High School.

If you have a family member who has served in any of the conflicts since 1914 up to the present, we would love to hear their stories.

Ideally, the History students hope to create a wall of veterans’ photos and stories for display with the aim of later collating the information into a publication documenting their experiences for future posterity. To assist with the project, we would like to be supplied with copies of stories accompanied by photos, diary entries, letters etc. *(Please do not include original memorabilia or photographs or items of sentimental value with your information.)*

If you are able to assist us with this project, please direct your stories or enquiries to Emily Charlton or Ms Pattinson.

Commemorating the Centenary of World War 1 and ANZAC DAY 2014

Benjamin James wins the Simpson Prize 2014

*Study the past if you would define the future.* Confucius

It is with enormous pride and excitement that the School reveals the success of former student, Benjamin James in the 2014 Simpson Prize Competition. As part of his prize, Ben will travel to Gallipoli and wider Turkey in April. This announcement follows the news of Jasmine Brennan’s success as a recipient of the
2013 Frank MacDonald MM Memorial Prize. While Jasmine has also won an overseas educational tour, this month she will visit the Western Front, specifically France and Belgium.

Ben’s achievement is exemplary and congratulations are extended to him on the attainment of this exceptional feat. In light of being the beneficiary of the History subject prize at the School’s Annual Achievement Afternoon 2013, Ben’s voluntary work at the Port Arthur Historic Site and his desire to pursue a career in archaeology, the Simpson Prize is most apt and sure to further develop his interests and ambitions.

We also applaud the efforts of Tasmania’s Simpson Prize runner up, Adam Dimsey who is currently in year 10 at our neighbouring school, Clarence High.

The Simpson Prize is sponsored by the Australian Government’s Civics and Citizenship Education program and administered by the History Teachers’ Association of Australia. The competition was established in 1998, to honour John Simpson Kirkpatrick, of ‘Simpson and his donkey’ fame, the man who epitomises the Anzac legend for his bravery under fire at Gallipoli in 1915. This national competition is open to Grades 9 and 10 students and it encourages entrants to examine and reflect upon the significance of Anzac Day to themselves as well as Australia.

In 2013, students were asked to consider how well the Anzac legend tells the story of individual Australian soldiers during the First World War, using their own research and selected sources from the Australian War Memorial. For this year’s prize, 920 students submitted an essay or an audio visual presentation.

In his examination of the topic, Ben arrived at the conclusion that there are discrepancies and errors in sources that helped to formulate this legend, and in response to his discovery, he questioned whether any of the premises presented could be trusted. Furthermore, he queried whether the ANZAC legend was simply a fanciful notion created by a country in a bleak period of its history?

In his analysis of the ANZACs’ bravery, he acknowledged that many families have stories of their ancestors’ deeds in combat which highlight the quality of valour. Ben drew on his own family’s story and stated: For my family, the obvious example is my Great-Grandfather, Eric William Johnson, who won the Military Medal and Bar for his actions on the Western Front. On one occasion he was in the leading wave of an attack when his Platoon Commander was hit, but Johnson took command of the platoon and led them to a flank to improve their position. With scant regard for exposing himself to heavy machine-gun fire he endeavoured to keep his men safe whilst also leading them forward.
“He personally reconnoitred [sic] trenches in the area in the face of heavy machine [sic] gunfire and succeeded in getting his men into them with a minimum of loss. His conduct throughout was splendid.”

After reflecting on the deeds of his Great-Grandfather and other courageous soldiers, Ben stated: for me, that is the epitome of bravery; to persevere when almost all hope is lost. As Ben so expertly concluded; Because the ANZAC legend stereotypes our soldiers’ actions in the Great War, there are always going to be individuals who do not fit this mould. ... Although the soldiers’ lives are not quite as glamorous as the legend portrays, in many respects they do display the qualities we attribute to the ANZACs. Therefore, I concur that the legend is well founded, providing us with a fair description of most individuals’ personalities and actions during World War 1.

The success of Ben’s essay may be attributed to his ability to competently meet the judging criteria. He addressed the question asked with a sustained argument which demonstrated clear historical understanding, with appropriate detail and accuracy. Effective research skills were demonstrated and Ben supported his arguments with intelligent use and analysis of sources from the 2015 AWM SP Source Selection and other relevant historical evidence. Additionally, his refined written expression allowed him to present a logical, coherent and well-structured discussion within the word count. Similarly, Ben used a sophisticated and consistent approach to introduce and acknowledge source material.

Ben’s success was officially announced at a Presentation Ceremony conducted at Parliament House, Canberra on Monday 17 March 2014. Present on this auspicious occasion were The Hon. Christopher Pyne MP, Minister for Education, Senator, The Hon. Michael Ronaldson, Minister for Veterans’ Affairs, Mr Paul Foley, Chair, Simpson Prize Committee and Dr Brendan Nelson, Australian War Memorial Director.

In his welcome, Mr Paul Foley, extolled the merit of the sixteen successful students’ accomplishments and informed the audience, “The winning essays reflected both depth and detail in their discussion. These students are to be praised for their ability to reach insightful conclusions illustrated by carefully chosen evidence and sophisticated use of the Simpson Prize 2014 Australian War Memorial Sources. These are entries which were rich in debate and compelling in their examination of the past. This is an exciting achievement for Year nine and ten students and they are to be congratulated.”

During the formalities, Mr Pyne presented prizes to the eight state and territory winners and the eight runners-up. On congratulating the students on their ANZAC-inspired essays, Mr Pyne said, “I was impressed by the sophisticated understanding of historical concepts displayed in many of these entries and by the in depth discussion of the Anzac story.”

In his address, Senator Ronaldson focused on the significance of the Centenary of Anzac. He stated, “The Centenary of Anzac will be this nation’s most important period of commemoration. For students in particular, knowing where we fought, when we fought and the values we fought for is critical to understanding the Anzac story.”

Following the official presentations, Julie Collins, Federal Labor Member for Franklin came to morning tea to congratulate Ben and Adam Dimsey. Ms Collins’ preparedness to take time out of her busy parliamentary schedule at short notice to commend the two Tasmanian boys was not taken for granted.
Unquestionably, Ms Collins’ support and sincere interest in Ben and Adam’s achievements were greatly appreciated and added further to the memorable occasion.

Winners and runners-up received a medallion to celebrate their achievements and took part in a special two-day Canberra study program which included visits to Parliament House, the Australian War Memorial, dinner at the Royal Military College, Duntroon, National Archives of Australia and the Museum of Australian Democracy. While in Canberra, Ben met the other state and territory finalists and adult chaperones who will travel with him overseas. No doubt his discernible commitment, passion for history and wonderful personal attributes have already made a strong impression on them and will be the foundation of enduring friendships with his travelling companions.

As a result of his outstanding performance, Ben has earned himself a place on the 2014 tour to Gallipoli and other parts of Turkey later this month. While overseas, Ben will participate in an extensive tour where he will be immersed in the history and culture of the country. As well as viewing many sites of great historic importance including Anzac Cove Beach and Shrapnel Valley Cemeteries, the grave of Private John Simpson Kirkpatrick, Lone Pine and the ancient ruins of Troy, Ben will also be present for ceremonies focusing on Anzac Day during the penultimate year of the Landing at Gallipoli’s Centenary.

Indisputably, like those who have also achieved the same level of success, Ben’s prize promises to offer him a memorable and inevitably life changing experience and it is with considerable exhilaration and keenness that we follow his journey. We are completely confident Ben will prove himself to be the quintessential representative for the Simpson Prize, Australia and Rose Bay.

We wish both Ben and Jasmine a safe journey full of exhilarating experiences and stimulating opportunities.
In closing, it is of paramount importance that we offer our unreserved appreciation and thanks to the organisers and sponsors of the Simpson Prize. Their efforts and generosity allow our students to engage in an authentic and unique historical inquiry and irrespective of the outcome, provide all entrants with an educationally valuable experience.

We wish to acknowledge the generosity of the Simpson Prize Organisation which kindly allowed us to include their official photos.

Suzanne Pattinson

**Our History Hall of Fame**

Rose Bay High School students have gained considerable success in competitions based on historical inquiries in the past and this trend continues. Members of our History Hall of Fame include:

- **Jesse Hawtree** – 2009 Frank MacDonald MM Memorial Prize.
- **Jacob Walker** – *2009 Tasmanian runner up for the Simpson Prize* (both Jesse and Jacob were students in the same Society and History class!)
- **Rebecca Pilgrim** – 2011 Frank MacDonald MM Memorial Prize finalist
- **Joseph Short** – 2012 Frank MacDonald MM Memorial Prize
- **Amy Graham** – 2013 Frank MacDonald MM Memorial Prize finalist
- **Jasmine Brennan** – *2013 Frank MacDonald MM Memorial Prize*
- **Sophia Bellears** – 2013 Certificate of Commendation – National History Challenge
- **Ben James** – *2014 Simpson Prize*

In acknowledging these students, it would be remiss not to commend the meritorious efforts of Georgia Stone. Her entry in the 2014 Simpson Prize competition was of a very high quality and accordingly, Georgia achieved positive recognition. She is to be commended for the success she did achieve and it is hoped she will submit an entry in this year’s competition. The school wishes to encourage our Grade nine and ten students to capitalise on their skills and extend themselves by responding to the challenges to be presented by the 2015 Simpson Prize ([http://www.simpsonprize.org/](http://www.simpsonprize.org/)) and the 2014 Frank MacDonald MM Memorial Prize.
