A full year school calendar is available on the school website: [www.rosebay.tased.edu.au](http://www.rosebay.tased.edu.au)

**Issue No. 6: 12 June 2015**

**FROM THE PRINCIPAL**

Last week we received some very good news regarding one of our Grade 10 students, Isobell McKenzie. Isobell achieved an outstanding result in the Australian Geography Competition which was completed earlier this year. Isobell has been invited to attend a week long study tour in Queensland, late September and early October. This is a fantastic result. Unfortunately Isobell will be unable to attend this as it coincides with our Cambodia Trip.

Over the past several months our students going to Cambodia have been very busy in raising funds to help build a school in the village of Treak. Our funding efforts have been well supported by our community. The Jazzercise team of Lindisfarne/Cambridge/North Hobart have kindly offered to run a class at the school on the 19th June starting at 6:45pm in the gym. The cost is $15.00 per person. All funds raised will go towards our fundraising efforts. Staff including myself will be participating and it would be great to see the community support this event.

I would like to remind all members of our community that spray cans [deodorant, hair spray etc] are banned at Rose Bay High. We have a number of students who have severe allergies to aerosol sprays or perfumes.

I would like to inform you that I will be leaving Rose Bay High at the end of this Term. Effective from the start of Term 3 I will be taking up the Principals position at New Town High School. I have very much enjoyed my time as Principal of this great school. I have enjoyed working with you and have appreciated your...
support as a community. The Department of Education is currently engaged in a process to fill the Principal’s position. I hope to be able to provide more information in the school newsletter which will go out in the last week of term.

Jason Szczerbanik
Principal

**Artist of the Month for May.**
Dedication is the name of the game. This student has certainly put the hard yards in to achieve personal excellence in her artwork. She enjoys a challenge and is a “pencil pusher” at heart and her drawings reflect this. Congratulations to Olivia Jarvis from Grade 8E, for this excellent achievement.

Rose Bay High will be hosting 6 students from Hong Kong during Term 3 for 3 weeks. Students will be arriving on 2 August and returning on 23 August and will be attending Rose Bay High School as students for this period. If you think this would be something you would like your family to experience could you please contact Mr. Graham at the school at your earliest convenience.

A rich experience for students and hosts. Opening your door to an international student can be an extremely rewarding experience for you, as well as the student.

International students will bring features of their own culture, lifestyle and language into your home, and lifelong friendships will be formed.

Homestay host families are also rewarded with a sense of achievement at having helped young people to achieve their goals, learn a new language, and learn about living in Australia.

**Animal Studies**

A special thank you to our recent guest speaker Mrs Fiona Hay, who is a lab tech here at school. She came in, along with Jerry, who is a puppy she is raising for the Guide Dogs.

Mrs Hay provided information about puppy raising. **When you see a puppy in the community wearing a blue coat with the letter L clearly marked on the coat one should resist the temptation to pat the pup as it is ‘working’**. The students were glad when the coat was removed and they were able to have a play with Jerry. A number of students asked some very good questions! We look forward to a visit later in the year to meet Jerry once again and learn about his progress. The Guide Dog Association will soon be paying us a visit, along with their ambassador dog.
Dexter to explain exactly what the Association does and the costs involved with the actual guide dogs.

Many students gave up their time on a school evening to come and work on Open Night. I would like to thank Ben Rodway and Rossenna Charlie who gave their time to assist in Animal Studies with equipment and visitors as well as giving out animal stickers on the night. Animal Studies had some wonderful habitat models on display made by our many talented students.

Michelle Oates
Animal Studies Teacher

Racism. It stops with me. Clarence City Council Community Pledge.
Congratulations to our outstanding SRC Social Justice Portfolio, through their leadership and determination Rose Bay High School, along with 7 of our feeder primary schools made a significant presence at the “Racism. It stops with me” Clarence City Council Community Pledge. This event took place at Eastlands on the 21st May and was an outstanding success. Sophia Bellears (10B) excelled representing Rose Bay High School on the Clarence City Council organising committee for the event and her formal address on behalf of young people was a highlight of the “Racism. It stops with me.” Clarence City Council Community Pledge ceremony.

Sophia Bellears (10B)
SRC Social Justice Portfolio

FUNDRAISER CLASS
FRIDAY JUNE 19th
7.00pm
ROSE BAY HIGH SCHOOL
GYM
$15.00 per person

Jazzercise is a pulse-pounding, bass-dropping fitness program that gets results...fast. It’s a calorie-torching, hip-swiveling dance party workout with a hot playlist to distract from the burn. Our team of Fully Accredited Instructors will be coming together to teach a 1hr High Energy Fun Class

All proceeds will support the building of a school in the village of Treak near Siem Reap, Cambodia, where Rose Bay and Clarence High School students will be volunteering to support the students of Treak.
